# SHOW AND SALE CLASSIFICATION

This show is co-sponsored by the Department of Agriculture and the Pike County Shorthorn Breeders' Association. The ribbon and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri.

All animals will be placed and graded by a competent judge. Grade designation and distribution ribbon awards are as follows:

## **Grade A (Superior)—Blue Ribbon**

The animals would fit into top purebred herds and flocks anywhere. They are correct in type, size, quality, breed character, etc.

## **Grade B (Good)—Red Ribbon**

These animals are good enough to improve a large percentage of purebred and commercial herds.

## **Grade C (Medium)—White Ribbon**

These animals are average for the breed.

## **Grade D (Unclassified)—No Ribbon**

These animals are undesirable breeding animals.
